

Post Cemetery

MIHP # AA-2392

Fort George A. Meade

Twentieth Century

Public Access

Capsule Summary

The Post Cemetery is located in a developed area near the intersection of Rock Avenue and Huber Road. The area is marked as a cemetery on the Odenton USGS quad sheet. There are approximately 400 uniform military style markers dating from the 1930s to the 1970s. It is surrounded by a chain link fence with brick entry and circular drive. This cemetery does not contain the graves of any persons of transcendent importance, is not associated with historic events, does not possess distinctive design features, and is not of significant age. The site has limited research value so does not meet NRHP Criteria Consideration D. The Post Cemetery is therefore ineligible for listing in the NRHP.

Description of Property and Justification: (Please attach map and photo)

The Post Cemetery is located on a flat wooded area near the railroad lines, southeast of the intersection of Rock Avenue and Huber Road. The cemetery is an active cemetery, and measures approximately 250' east/west and 150' north/south. The cemetery is divided into four symmetrical quarters, with an ornamental circle in the center. Each of the four quadrants contains approximately 100 grave sites, arranged in ordered rows. The approximately 400 grave markers date from the 1930s to the 1970s. This cemetery does not contain the graves of any persons of transcendent importance, is not associated with historic events, does not possess distinctive design features, and is not of significant age. The site has limited research value and does not meet NRHP Criteria Consideration D. The Post Cemetery is therefore ineligible for listing in the NRHP.
